QuickPay® Cash Redemption Terminals

Why more venues are choosing QuickPay Cash Redemption Terminals

QuickPay is an easy-to-use, self-service CRT that can support TITO, cashless gaming, card, tag and loyalty functionality with a range of other services to expand your offering and drive profitability. Designed for high volume transactions using only quality components with user-friendly on-screen instructions. QuickPay allows your patrons to redeem their cash securely and privately. QuickPay is designed to meet current and future industry requirements.
