

DepositConnect Cash Recycler

Fast, accurate, time saving

Banktech has a range of cash recyclers suitable for venues of all sizes. Our recyclers remove the need for manual cash handling with high-speed note and/or coin counting, significantly reducing your cash handling costs.

DepositConnect devices are highly secure, holding your notes in a Level 1, 24-hour rated safe.

Benefits of installing a DepositConnect Cash Recycler:

- + A recycler to suit every venue:** DepositConnect Cash Recyclers come in a range of sizes to suit every venue.
- + Efficient:** Significantly reduces time and cost of cash handling, and reduces shrinkage.
- + Multi-level access:** Multi-level 'admin' access for added security (using pin, RFID or biometrics) allows you to restrict access, set withdrawal amounts and frequency
- + Omni VISION:** All recyclers connect to our OmniVISION online portal, allowing you to remotely monitor the cash in your recycler, as well as other Banktech/UTOPIA terminals.
