

AutoPay

Smart-safe cashier solution

AutoPay cashier assist represents uncompromised reliability and quality, providing simple daily reconciliations and fast, secure cash management.

Developed to prevent shrinkage and counting errors, AutoPay can operate either as a standalone device or be connected to your gaming system. Incorporating Banktech's proprietary software, AutoPay is highly efficient and easy to use.

Benefits of an AutoPay:

- + Integrated:** Integrated with most major gaming systems.
- + Efficient:** AutoPay ensures your cashier is quickly able to scan and redeem patrons' tickets and system-based cards.
- + Easy to use:** AutoPay has an easy to use touchscreen interface.
- + Secure:** Notes held in a Level 1, 24 hour safe.
- + Omni VISION:** Connects to our Omni VISION online portal allowing you to remotely monitor the AutoPay as well as other Banktech/Utopia devices.
