

POSConnect Undercounter EFTPOS cash out solution

POSConnect is an EFTPOS based cash out solution, designed for venues where access to ATMs is restricted or cash out limits apply.

The POSConnect UC (Undercounter) solution is ideal for situations where venues prefer to have staff facilitate the entire cash out transaction. This device sits neatly under the service counter with the EFTPOS terminal and monitor sitting on the counter for easy staff access.

Benefits of a POSConnect:

- + Compliant:** Fully complies with state/territory restrictions
- + Reliable:** Industry leading up-time of 98.5%.
- + Competitive rates:** Competitive rates with flexible terms and conditions.
